oh fuck i just found a fantastic video on Youtube with giants and where they come from and where you can find them. Anyway check it out and then tell me what you think. I'm going to travel to russia and china in about 2 weeks, so this is my last video on my channel. I'm taking with me some animals i found in my long distance travels, and also i'm showing you where you can find them too! If you like the video, please give like and subscribe :). If you don't like the video, please give me a thumbs down and don't give me any likes :). Odessa, Ukraine - One of the most dynamic and fast-growing cities in the region, Odessa is also considered to be the cultural capital of the country, from the port to its numerous museums, the city is packed with culture. Join Dr A. on a tour to see the highlights of Odessa, discover its festivals and unique gastronomic heritage. We visit a wine museum, family museum, eclectic markets and several seafood restaurants. Still not quite enough for you? Then we hop on the Sailing ship, 'The Odessa Star' for a tour of the coastline of Odessa, we take a few days to have a taste of the lifestyle of locals. We visit

the old town and take the cable car to the old monastery, where we sample wines and share a slice of local cakes. Finally, if you are here at the right time of the year, we will take the early morning train to the ancient town of Ovidiopol, we will take a walk around the old town and take a boat ride in a local church-caped boat around the stunning coastline. Here's a little something from Odessa! EXTREME SPOILERS: Subscribe for more! Still 82157476af
